

Spirit of Enterprise 2004

Award endorsing entrepreneurial spirit in Singapore, the award honours local self-reliant entrepreneurs operating small and medium-sized businesses.

In 2004, Mr Bean was recognised as an inspirational account of resourcefulness, perseverance and drive, having come a long way from a stall in People's Park Hawker Centre to the many conveniently located outlets in Singapore today.

Now and always, its vision of always providing the freshest and highest quality of food and beverages is what spurs management and staff onward.
