

National Day Parade 2009

Heartiest congratulations to Singapore on her 44th birthday from the entire staff and management of Mr Bean!

We are very proud to participate in the National Day Parade celebrations for the second year running. This year, in accordance with NDP 2009's "Care, Share and Be Green" theme, Mr Bean is pleased to sponsor a recycleable hand-drum for the National Day Parade funpack.

Mr Bean encourages all spectators to be green and take the hand-drum and heart-shaped lantern from the NDP funpack to selected Mr Bean outlets for recycling before August 31. Come together, Singapore, and help spread the eco-responsibility message this National Day!

Spectators can also look out for exclusive Mr Bean luggage identification tags on certain fun packs which indicates that the bag has been specially packed by volunteers from special organisations.

Mr Bean Launches 'Pearls of the Nation' - A Special Drink for National Day 2009

Cool and refreshing, *Pearls of the Nation* is a soya milk drink with a twist. Added into the concoction of blended soya milk is sweet lychees, which add a tinge of fruity fragrance to the drink. To complement our national colours of red and white, chewy soft red pearls are integrated together with the white blended drink, hence mimicking the resemblance of our state flag.

To celebrate National Day, the unmistakable Mr Bean icon is clad in a red bandana embossed with a crescent and five stars and along with the official National Day Parade 09 (NDP09) logo, will be appearing on Mr Bean plastic cups and take away bags during this celebratory period.

NDP Pledge Moment

The Mr Bean Team participates in this year's pledge moment, clad with our red bandanas!
